

# ENTHEOMED REFERRAL FORM FOR KETAMINE ASSISTED TREATMENT

Dr Anita Sanan is now accepting referrals for Ketamine-Assisted Therapy:  
A New Treatment Option for Patients with Mental Health challenges

At EntheoMed, our goal is to be a leading voice in the mental wellness space. We are a private healthcare facility delivering intensive ketamine-assisted psychotherapy, which has been developed and supported by leading psychiatrists and psychologists. Treatment is provided under the direct supervision of a board certified anesthesiologist and ACLS certified nurses and accompanied by integrative psychotherapy. See [entheotech.ca/ketamine](http://entheotech.ca/ketamine) for details.
